Calling all Makers and supporters!

We are excited to invite you to take part in the 4th Annual SLO MakerSpace Expo taking place May 7th, 2016 at Mission Plaza from 11am-3pm, and followed by an Open House at SLO MakerSpace from 5-8pm.

The SLO MakerSpace Expo is a celebration of the amazing work of all kinds and ages of artists, crafters, builders, and innovators — anyone who is embracing the do-it-yourself (or do-it-together) spirit and wants to share their accomplishments with an appreciative audience. Children and adults alike are captivated by the technological, robotic, artistic, and inventive designs on display during this event. Some booths feature hands-on events, others are demonstrations of new or improved technologies.

The SLO Makerspace Expo is an event for the entire family - all makers, inventors, dabblers, and dreamers are welcome! During last spring's highly successful event, more than 2,500 people from throughout the Central Coast came to see and experience more than 40 exhibits.

We're hard at work preparing for this year's Expo, but in order to make this year's event a success, we need YOUR support! There are many ways you can take part in the Expo - as a paid Sponsor, a showcased Maker with a booth, by promoting the event to others, as a volunteer at the event, or all of the above.

Event sponsors will be publicized through traditional and social media, and will appear on SLO MakerSpace Expo materials. Please see the attached matrix for a full list of benefits. If you'd like to sign up as a financial Sponsor, please email us at slomakerspaceexpo@gmail.com.

If you are interested in exhibiting in any shape or form at 2016 SLO MakerSpace Expo, please fill out this form: <http://goo.gl/forms/XtKsslzHPG>

If you'd like to help out as a Volunteer, email us at slomakerspaceexpo@gmail.com.

Thank you for your support!
The SLO Makerspace Expo Team
